Community Consultation Submission: Spit Junction Masterplan now on public exhibition

I am concerned about the proposed, complete closure of Clifford St at Spit Road. I understand that at present many cars travelling south on Spit Rd. turn left at Clifford St to access Military Rd via Civic Lane. But to prevent Clifford St residents from exiting to Spit Rd. severely restricts our movements. Moruben Rd.in the afternoons is very busy and Field Lane is often closed off by building developments. Perhaps a plaza could be installed at top of Clifford St. with a one lane exit for cars crossing into Spit Rd. to travel west. I also suggest that 10 stories is far too high for the Spit Junction intersection
