Community Consultation Submission: Spit Junction Masterplan now on public exhibition

I commend the Council for pushing ahead with this ambitious plan which could revitalise the central area of Mosman and turn what is a dead centre after 5.00pm into a lively place for people to gather in pedestrian plazas and enjoy an expanded choice of good food and wine. We note there are currently 5 plans and sorting out the best will be difficult but I feel confident that the eventual outcome will be in the best interests of the vast majority of Mosman residents.
