

Rabbit Tap Agreement Of Use

As a condition of borrowing and use of traps owned by Mosman Council, the operator must;

- Be the sole user of supplied trap/traps,
- Abide by the *Prevention of Cruelty to Animals Act 1979*,
- Not use the trap/traps to capture or harm native fauna,
- When in use, place the cage in a sheltered position, checking the cage twice a day,
- Providing food and water to the animal/animals while captured,
- Take any trapped rabbit/rabbits within 24 hours of trapping to a suitably qualified veterinary clinic to be euthanised. All associated cost are to be borne by the operator. Please note you may need to contact your chosen veterinary clinic prior,
- Ensure accurate records are kept of species trapped, including numbers of rabbits captured and any non-target species captured. This information should be clearly recorded and once completed forwarded to Mosman Council in writing or emailed to council@mosman.nsw.gov.au ,
- Return the trap to Mosman Council Chambers cleaned using soap and water and in good condition.

I**have read and understand all of the above and agree to all of the above conditions.**
